AP Course: AP Biology

AP Teacher: Mrs. Ancheta

**Agreement** The above named student is currently enrolled in the above stated AP course for the 2022-2023 school year. Taking an AP course and exam is a collaborative effort between the student, parent/guardian, and the school. Each party plays a role and must make the commitment to meet the expectations noted below.

**The Student** agrees to organize his/her time and effort to successfully complete the AP course in which he/she is enrolled. The student will notify teachers immediately if he/she falls behind in class readings and/or course assignments. The student will be expected to complete assignments, reading, and projects outside of class time. The student **will** take the AP Examination on its scheduled date and time as outlined by the College Board.

**The Parent/Guardian** agrees to be familiar with and accept the AP course requirements and policies, and to help his/her child organize study time in support of class assignments. The parent/guardian agrees to purchase required materials and to pay the exam fee as determined by the AP Coordinator. If the parent/guardian is unable to meet these requirements for financial reasons, they will contact the AP Coordinator immediately.

**The School (Administration, AP Teacher, and AP Coordinator)** agrees to provide rigorous instruction and challenging course content as described in the AP Course Description. The school will provide the student with a copy of the *Bulletin for AP Students and Parents* and agree to administer the AP Examination in a fair and secure environment as outlined in the *AP Coordinator's Manual*.

\*\*\*The student must keep his/her obligation to remain in the AP Course for the entire 2022-2023 school year once enrollment is finalized at the end of June 2022. Exceptions may be made only for serious/medical concerns that would prevent course completion.
