

Binder Guideline

Required: 1” ring binder and a set of dividers.

Directions: Read each section below to know where to place your work.

Formula Sheet & Binder Guidelines

1. First Tab – Reference Materials

AP Content Checklist, AP Biology Overview, Syllabus/Safety, Mr. Anderson’s Video Lecture, & Class Calendar (optional).

2. Second Tab – Worksheets/Handouts (throughout the year – i.e. POGIL)

Keep all worksheets done in class, handouts to be read here.

3. Third Tab – Laboratory Handouts

Place AP Biology Lab Report Rubric. Then place all laboratory work here include demo, mini labs, and your lab write ups. Place your graph papers here.

4. Fourth Tab – Graded Items (i.e. Quizzes)

5. Fifth Tab - Old Tests (FRQ) or get another binder just for old tests. 2013 – 2018 FRQ recommended

Back pocket – Project/Presentations

Place completed projects here.
