Summer Plan if any: \_\_\_\_\_ Is there any period in this  
summer I will not be able reach you? \_\_\_\_\_ When? \_\_\_\_\_

**Please read and initial after reading each statement. Sign and date at the end.**

\_\_\_\_\_ 1. I will complete my summer homework. I understand that I need to abide by the given due dates. If I encounter any problems, it is my responsibility to contact the teacher before the due date. I will check the class website at least once a week to check for announcements and calendar.

\_\_\_\_\_ 2. I will take the AP Biology Exam. This year's exam date is May 13, 2019 (Monday). I will pay for the exam in a timely manner when announced. The cost of exam is about \$91. It changes year to year slightly. If I am not able to pay for the exam, I need to discuss the situation with the testing coordinator.

\_\_\_\_\_ 3. I will attend the mandatory meeting/mock exam session Saturday before the exam. I understand that there will be Mandatory Saturday Sessions throughout the year – at least once a month and at least twice in April. If I cannot make it to Saturday testing/studying sessions, I will make arrangement with the teacher ahead of time.

\_\_\_\_\_ 4. I will participate in at least one science competition (i.e. science fair, science olympiad, science bowl, robotics, HOSA, Genes in Space, Breakthrough Jr. Challenge, etc) this year. Biological science topic is preferred but other topics can be considered if student has a vested interest. Please let you teacher know.

\_\_\_\_\_ 5. I will study every night at least 30 minutes to 1 hour (including weekends) for AP biology to give my full effort to be successful in AP Biology class. If I am busy with club activity and sports, I will look ahead in the calendar to accommodate my schedule.
