Ethical Issues Assignment

CCSS 9-10.WHST.1 Write **arguments** focused on discipline-specific content.

1. Choose a topic from the list below as a group then write topic on the line.
2. Define the topic (you might need to narrow down the topic)
3. Write Pros (at least three) and Cons (at least three) of each side of the issue.
4. Take your stance by stating why your choice is the best one. Please be sure to write the opposing view and state why it was not chosen.

Follow up: Students will share their stance with each other in their groups in class
