1. Present reasons you believe the student has demonstrated sufficient knowledge and interest in the subject matter and would benefit from participation in the CSI Camp program.
2. What are the student's personal and/or academic strengths and weaknesses?

Preparations for the C.S.I. Camp

Selected students shall prepare for the Camp by completing free on-line training. Details will be made available to students following selection.

C.S.I. Camp Selection Process

Following the submission deadline, the applications will be reviewed, and selected applicants will be contacted to schedule a meeting/discussion with an interview panel – which should take approximately 15-minutes. Selected applicants will receive an invitation to participate in the program, which will include the completion of C.S.I. Camp Registration forms by parents/guardians.

The C.S.I. Camp will be **Monday, June 15, 2020 through Friday, June 19, 2020, 8:00am-4:00pm** daily, in various locations, mainly to include the County of Maui's Forensic Facility and Wailuku Police Station.

The goal of the C.S.I. Camp is to allow the Maui Police Department to reach out to our community by offering another program which invites students to learn more about law enforcement-related careers, while inspiring them to appreciate their continuing studies in science classes. This program has been designed to allow students an admission process that is similar to what they may experience throughout their working careers, to include an evaluation at the completion of the Camp.
