

Sense of Wonder Poster

Science Standard 1.6 & GLO

- Select a 11x 8.5 construction paper of any color.
- Use a vertical orientation (portrait or long way).
- Be creative... include any picture or product that is related to your poster (not offensive).
- Write following information (must be neatly written)
 - your sense of wonder question (must be bigger font than the answer, at least 14pt)
 - an answer to that question
 - a bibliography on the back of the poster (source of your information – at least three)
 - your name, class, and period on the back of the poster

Attach this paper and the teacher approval paper to your poster.
